Notice: Shopping Centre Competitions

Gardiner Chess and its staff have run many successful shopping centre events, with no incidents causing concern, and will take all sensible measures to ensure the safety of children taking part. Children are given firm instructions about not leaving the immediate playing area, but it is impossible to guarantee that a child will not wander off between games. Therefore parents need to use their own judgement as to whether they need to be present for the duration of the event. Parents need to ensure that children are picked up no later than 4.30pm. If, after the start, a child is withdrawing from the event for **any** reason (eg sickness), the organisers **must** be informed.
